

## Amani Consultants Ltd marks practice launch with exciting new website

**29<sup>th</sup> November 2011, London, UK:** *Amani Consultants Ltd*, a London based business consulting & accountancy firm, today announced the launch of its new website to coincide with the formal launch of the practice. *Amani's* website is designed to serve as a touch point for new and existing clients and showcases the full range of services that they have on offer.

*Amani Consultants Ltd* was established to help individuals and small to medium-sized companies realise their full business potential by delivering intelligent and creative solutions to help them achieve success.

*"We set up our practice because we wanted individuals and small to medium-sized companies to benefit from top FTSE consulting and accountancy expertise without paying top FTSE rates. We offer a genuine commitment to help clients attain their goals and value for money"* said Kamran Khalil, Managing Partner of *Amani Consultants Ltd*, formerly at PricewaterhouseCoopers and Merrill Lynch in the City of London.

The new site, built by **Base Media** employs the WordPress content management system, a semantic personal publishing platform with a focus on aesthetics, web standards, and usability. With its unique plug-in architecture it will enable future functionality enhancements and expandability as *Amani* evolves.

Further information can be found on the new website <http://www.amaniconsultants.com>
